

# *Molecular Pathology Core*

## *Fees*

*Effective 9/1/09*

| <i>Service</i>             | <i>Note</i>   | <i>Cost</i> | <i>Unit</i>          |
|----------------------------|---|-------------|----------------------|
| Cassette printing          |   | \$0.00      | Free for Core users  |
| Trim                       | Trim and/or transfer samples to cassette                | \$3.00      | Cassette             |
| Decal                      | Bone  | \$4.00      | Cassette             |
| Process/Embed              | Paraffin  | \$4.50      | Block                |
| Unstained slides           | Paraffin, 1 4um section/slide                           | \$3.00      | Slide                |
| Multi/Serial/Step sections | Each additional section added to unstained slide        | \$1.50      | Section              |
| Frozen embed               | OCT, fresh or fixed                                     | \$10.00     | Block                |
| Frozen unstained slides    | Frozen, 1 4um section/slide                             | \$5.00      | Slide                |
| H&E stain                  |   | \$3.00      | Slide                |
| Special stain              |   | \$8.00      | Slide                |
| Special stain-Shands lab   |   | \$18.00     | Or cost              |
| IHC                        |   | \$20.00     | Section              |
| IHC-Shands lab             |   | \$25.00     | Section              |
| IF                         |   | \$15.00     | Section              |
| Double IHC/IF              |   | \$30.00     | Section              |
| FISH/ISH                   | User supplies probe and slides                          |             | Inquire              |
| DNase/RNase free sections  |   | \$40.00     | Block                |
| Technical support          | Additional labor to accomplish request, user training   | \$10.00     | 15 minutes intervals |
| Scanning                   | Aperio ScanScope CS                                     | \$6.00      | Slide                |
| Slide box                  | 100 slides, return box for full credit and recycle      | \$10.00     | Box                  |
| Slide tray                 | 25 slides, return tray for full credit and recycle      | \$8.00      | Tray                 |
| Shipping FedEx             |   | \$30.00     | Each                 |
| Microtome or cryostat      | Experienced users, provide own supplies                 | \$0.00      | Free for Core users  |
| Zeiss Axioskop Plus        | Initial training required                               | \$0.00      | Free for Core users  |
| Image analysis             | Training provided; Metamorph, Aperio                    | \$0.00      | Free for Core users  |
| Tissue microarray          | Design, construction, sectioning, and staining services |             | Inquire              |
| Pathology review           | Surgical or Veterinary Pathologist                      |             | Inquire              |
